Academic year 2023/24

Take Home Assignments- Semester II

Dear Students,

You can view and download the assignments of all semester II courses using below links. Assignments have been organized under each academic department which offers the course. Every Assignment will be available by the date of the first day school.

You may contact the course coordinators to get instructions on assignment submission if you do not have LMS access by the date of assignment submission.

**Assignments of the courses offered by Department of Organizational Studies
(course codes starting with letters OSU)**
